Demolition Permit Application

Property location _____

Parcel number _____

Description of structure to be demolished _____

Written confirmation of disconnection from Connective, Verizon, Artesian and any other utility (present) must be provided with this application.

The applicant agrees to use an insured contractor licensed by The Town of Townsend. The applicant agrees to remove all debris from the site and all streets. The applicant agrees to correct and abate all environmental debris disposal accordance with State of Delaware Natural Resources & Environmental Control Department laws and regulations. The applicant shall cap the sewer lateral at the property line which shall require an inspection before back-filling. The applicant shall remove the structure to at least one foot below grade, break up any remaining basement floor (to allow drainage) and to use clean fill to fill the foundation to be level with or higher than the surrounding grade. All debris is to be removed and no debris shall be used as fill. Upon completion, the site shall be seeded and covered with straw. The applicant shall not start work until the permit is issued.
